

To Whom It May Concern:

My name is Mallory LePage and I work with Rachel Nemcek at the Milwaukee Bucks on the Corporate Partnerships team.

Since I started with Rachel, she has always shown true character, commitment to excellence and work ethic.

When I think about Rachel's best qualities, what stands out to me the most is how she works with the Bucks naming rights partner, Fiserv. Fiserv continues to grow and evolve as a business and Rachel has been an integral part of maximizing their capabilities as a partner. Rachel is able to do this through the relationship that she has built over the years.

Through the global pandemic, Rachel worked closely with Fiserv and our team to ensure that our fan experience would become touch less, better, safer, and more efficient. Rachel's dedication and knowledge of her partners products, services and solutions has single handedly impacted revenue across the organization.

Rachel takes the time to fully immerse herself in the partners business, finding the smartest way to maximize the impact for a partner and the Bucks.

Rachel would be an asset to any organization and the growth for your most important partners.

Please do not hesitate to contact me with any questions.
