

To Whom it May Concern-

Throughout the past five years, I have had the pleasure and opportunity to work directly with Rachel Nemcek. Our firm is a longstanding supporter of the Milwaukee Bucks and Rachel has overseen our partnership for many years. Rachel has always been diligent and attentive to our needs and ensuring that our partnership assets are delivered. Over the course of our partnership, we have been fortunate to be able to grow and foster a wonderful working relationship, as well as a friendship. The sports world is ever-changing and Rachel has done a great job of adapting our partnership as the climate evolves, especially this most recent season.

Much of our partnership is centered around important charitable and community initiatives. Rachel's work to make these crucial campaigns successful is not only indicative of her professional work ethic, but more importantly, a testimonial to her character.

Please feel free to contact me directly should you have any further questions.

*Warm regards,
Andrea*
